ANNUAL ADMINISTRATIVE REPORT, 2019-20

1. INTRODUCTION

The Directorate of Economics and Statistics, Assam was set up in the year of 1948 to collect, collate and compilation of statistical data for preparation of various plan for the welfare of the State as well as the Country at large. Initially, the Directorate of Economics and Statistics, Assam was under the control of Finance Department, but later on, it is brought under the administrative control of the Planning and Development Department which is renamed as Transformation and Development Department by the Government of Assam in April 2017. Since the inception, the Directorate has been performing a quality based services to the Govt. for taking up fruitful plans and programme for greater interest of the State. It publishes various reports to visualize the actual picture of economic growth and development of the State.

1.1 ORGANISATION SET-UP

The Directorate has two Regional Offices headed by the Joint Director of Economics and Statistics— one for Autonomous Hills District and another for Bodoland Territorial Council (BTC). In addition, there are 23 numbers of District and 13 numbers of Sub- Division offices headed by Deputy Director and Sub-Divisional Statistical Officer respectively belonging to Assam Economic and Statistical Service (AESS). It is pertinent to mention here that at present out of 33 nos. of total district, the Directorate has only 23 nos. of district offices and 13 nos. sub- division offices in the State. In newly created seven Districts namely Dhemaji, Morigaon, Tinsukia, Charaideo, Majuli, Hojai and Biswanath of the State, this Directorate has no district level office and still functioning as Sub-Divisional level office. Moreover, the directorate has no any office in the newly created District South Salmara for which all the related work of this District is being executed by the Deputy Director of Economics and Statistics Office, Dhubri.

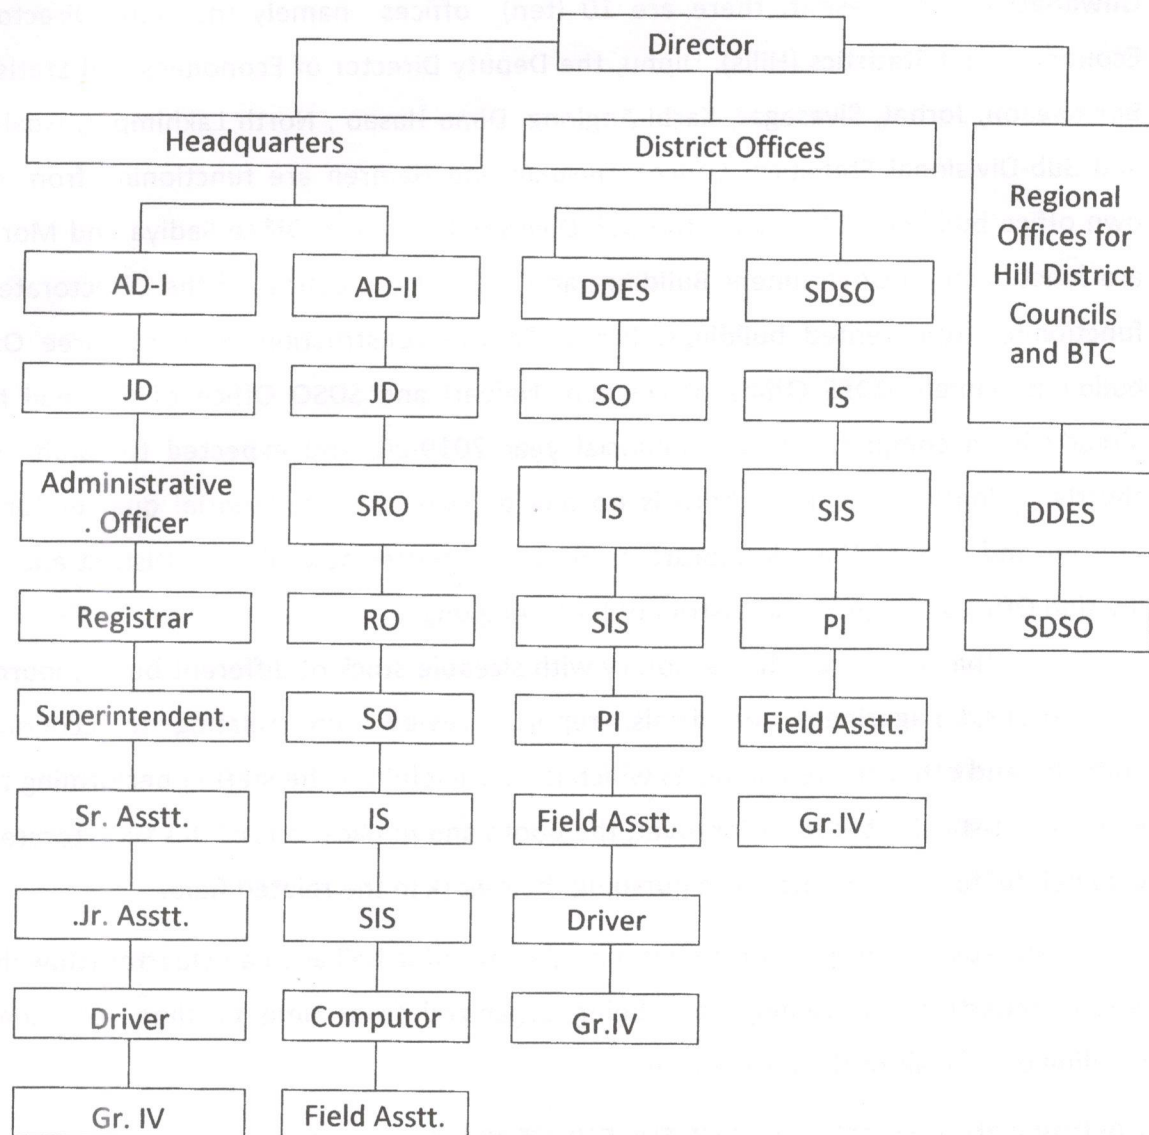

The Village and Panchayat Level Statistics is very important for economic planning in the grass root level. So, keeping in view of the importance of village and Panchayat level statistics, the State Government had created 134 nos. of post in the Community Development Block Office in the rank of Sub-Inspector of Statistics to collect, compile and maintain the statistical data for each and every village falling within the block jurisdiction. But unfortunately, out of the aforesaid 134 posts, 20 nos. of post have already been abolished by the Government. At present, there are only 46 nos. of Sub-Inspector of Statistics working for 219 blocks with a hard struggle to manage the Block Level Statistics works.

The organizational structure of the Directorate has been framed in the line as recommended by the committee to review the National Statistical System and consists of the following 10 divisions.

1.2 ADMINISTRATIVE SET-UP :

Administrative set up of Directorate of Economics and Statistics, Assam is given in the following Chart.

N.B: AD: Additional Director, JD: Joint Director, SRO: Senior Research Officer, RO: Research Officer, SO: Statistical Officer, IS: Inspector of Statistics, SIS: Sub-Inspector of Statistics, PI: Primary Investigator, DDES: Deputy Director of Economics and Statistics, SDSO: Sub-Divisional Statistical Officer.

1.3 ORGANISATION STRUCTURE (OFFICE BUILDING) :

The Headquarter of the Directorate of Economics and Statistics, Assam is functioning in its own office buildings located at Tripura Road, Jawaharnagar, Guwahati-28. At present, there are 10 (ten) offices namely the Joint Director of Economics and Statistics (Hills), Diphu, the Deputy Director of Economics and Statistics, Bongaigaon, Jorhat, Sivasagar, Karbi-Anglong, Dima Hasao, North Lakhimpur, Goalpara and Sub-Divisional Statistical Offices Tinsukia and Hamren are functioning from their own office buildings. Moreover, the Sub-Divisional Statistics Office Sadiya and Morigon are functioning in Government Buildings and rests of the Offices of the Directorate are functioning from rented buildings. Presently, the construction work of three Office buildings namely DDES Office of Nagaon, Nalbari and SDSO Office of Dhemaji have already been completed in the financial year 2019-20, and expected to shift very shortly. Mentionable that, there is no any departmental residential quarter for the officials and staff of this Directorate in the head quarter as well as in District and Sub-division Offices except in the District of Karbi-Anglong.

The Directorate has a Library with sizeable stock of different books, journals, publications, magazines, periodicals, reports, reviews etc relating to Economics, Statistics and other related subjects which is very useful for the staff in performing their various statistical activities. Moreover, the books and publications of this Directorate are very helpful for the Researcher in pursuing their work in the related field.

Moreover, the Directorate has a modest training hall at Head Quarter (Guwahati) where departmental trainings are being organized from time to time for capacity building of officials of the directorate.

4. ON GOING CENTRAL SECTOR SCHEME:

The Directorate of Economics and Statistics is implementing the following State and Centrally Sponsored Schemes during this financial year 2019-20.

4.1 Timely Reporting Scheme (TRS): The Government of India has introduced 'Timely Reporting Scheme' (TRS) since 1973-74 with an aim to determine the timely estimates of area under 13 principal crops on the basis of 20 percent sample villages of the Plain Districts at the end of the each season viz. Early Kharif, Late Kharif, Rabi and Summer.

4.2 Improvement of Crop Statistics (ICS): The programme of supervision under the Improvement of Crop Statistics (ICS) Scheme has been carried out on equal matching basis with the NSSO (FOD), as per guideline of the Ministry of Agriculture and Programme Implementation, Government of India.

4.3 Agriculture Census: Agricultural Census is a Central Sector Scheme which is conducted quinquennial in the Country for collection of data on structure of agricultural operational holdings and its related characteristics by different Size Classes, Social Groups and Gender. The Census is followed by Input Survey which provides key information about the application of inputs in the Agriculture Sector of the country.

4.4 Pradhan Mantri Fasal Bima Yojana : The PMFBY is a Centrally Sponsored Scheme introduced from the Kharif Season 2016 to provide insurance coverage and financial help to the farmers in the event of failure of nine notified crops i.e. Autumn Paddy, Winter Paddy, Summer Paddy, Jute, Black Gram, Wheat, Rape and Mustard, Potato and sugar Cane. The Scheme is implemented in multi agency framework selected by insurance companies under the overall guidance and control of Agriculture Department. The main responsibility of this Directorate is to conduct the Crop Cutting Experiment (CES) of the notified crop in the Panchayat Level. But, presently due to non-availability of Panchayatwise crop area data the Directorate has been conducting the CES in Rev. Circle wise.

4.5 Support for Statistical Strengthening Scheme: Support for Statistical Strengthening (SSS) Scheme formerly known as Indian Statistical Strengthening Project (ISSP) with a aim to strengthen the State Statistical System. It is a Central Sector Sub-Scheme with 100% funding from the Centre. Government of India has released Rs.6.32Cr. to start the scheme.

Till date, 5 numbers of State Implementation Committee (SIC) and one State High Level Steering Committee (SHLSC) meeting held for taking some vital decision regarding selection of Survey/ Studies, Selecting of implementing Agency, HRD issues etc. Also a good numbers of training on HRD issues, ASI etc were held under SSS scheme.

During the last Financial Year 2019-20, 7(seven) numbers of Studies/ Surveys were started through outsourcing agencies like United Nations Development Program (UNDP), IIT Guwahati, Omeo Kumar Das Institute of Social Change and Development (OKDISCD), Tezpur University and Rastriya Gramin Vikash Nidhi (RGVN). So far Rs. 2,92,75,260.00 has been sanctioned against these Studies/Surveys till the end of 31st March 2020.

4.6 Rajiv Awas Yojona (RAY): The Rajiv Awas Yojona (RAY) is a Centrally Sponsored Scheme implemented by Ministry of Housing and Urban Poverty Alleviation, Government of India. The main responsibility of this Directorate under the scheme is to collect the data on housing and building construction from the Urban Local Bodies/ City Development Authorities and transmit the data to National Building Organization (NBO), which is a Nodal Agency of Building Statistics of Central Government, through BRIKS (Building Related Information Knowledge System) software.

5. OTHER ONGOING SCHEME:

5.1. Sustainable Development Goal: In September, 2015 the United Nations General Assembly (UNGA) adopted the resolution titled "Transforming Our World: the 2030 Agenda for Sustainable Development" consisting of 17 Sustainable Development Goal (SDG) to be achieved by 2030. The SDG contains 169 targets. These universal goal and targets involved both the development and developing countries like the MDGs (Millennium Development Goals) which primarily relevant for developing world. The inclusion agenda of SDGs lay balanced emphasis on the three pillars of sustainable development viz. economic growth, social development and environmental protection. The role of DES is to identify and selection of SDG indicators as well as establishment of robust monitoring structure which is imperative towards leading to a successful SDG monitoring implementation strategy at the state level.

5.2. Micro Fiscal Projection: In order to have a complete automation of different activities of the Directorate of Economics and Statistics, Assam. AMTRON has developed 6(Six) Functional Modules under MFP i.e. Agriculture, Industry, Statistical Data, Price, State Income, Survey and Four Administrative Module i.e. H.R.M.S., Intra Net, Asset, Digital Archive. The entire modules are being operational for the Directorate.
