2004

**DIRECTORATE OF ECONOMICS AND STATISTICS
GOVERNMENT OF ASSAM
GUWAHATI**

FOREWORD

The issue of the "Statistical Hand Book, Assam, 2004" is the 36th in the series. It seeks to provide statistical information on various aspects pertaining to the Socio-Economic trend in the State. In addition, for facilitating comparison with other States and the country as a whole, a few State level indicators have also been included. All efforts have been made to present the latest available data covering upto 2003-2004 in the Hand Book. However, in few cases, due to non-availability of data, last year's published data have been repeated.

The generous co-operation extended by other Departments and Organisations in bringing out the publication is acknowledged with gratitude.

This Directorate is constantly endeavouring to improve the quality of the publication. Any suggestion for improvement of future issues of the publication is most welcome.

Dated : March, 2005.
